- You must at all times keep the sums insured at a level which represents the full value of the property insured

When and how do I pay?

When does the policy start and finish?

The policy starts on the date of your choice and runs for 12 months. The start and finish date of your policy are found in your Certificate.

How do I cancel the contract?

You are entitled to cancel your insurance policy at any stage during the policy term. You are entitled to a cooling-off period of 14 days, from inception or receipt of your documents, whichever is the later, in which to consider the content of your insurance policy, and the extent of the cover therein. Cancellation of your policy within this period is therefore subject to a full refund.

Provided that there have been:

- No claims made under the policy for which we have made a payment;
- No claims made under the policy which are still under consideration;
- No incident likely to give rise to a claim but is yet to be reported to us.

Cancellations made after the cooling-off period will be subject to a cancellation fee by Discount Insurance of up to £35. We will retain a proportional premium for time on cover. For instance, if you paid £200 for a policy and cancelled this half-way you will be entitled to a refund of £100 for the unexpired portion of the policy less Discount Insurance's cancellation fee of £35 (total refund in this instance would be £65). Please note any administration fees charged for policy set up are nonrefundable if cancelled after the cooling off period.

To cancel the contract you can either write to us at Discount Insurance, The Business Exchange, 26/28 Hammersmith Grove, London, W6 7BA or speak to our customer services team by calling 020 8847 8000
