Important Information

The contract of insurance

This policy is a contract of insurance between **you** and **us**. The following elements form the contract of insurance between **you** and **us**, please read them and keep them safe:

- **your** policy wording
- information contained on **your** statement of facts document issued by **us**
- **your certificate** and any endorsements shown on it
- any changes to **your home** insurance policy contained in notices issued by **us** at renewal.

In return for **you** paying **your** premium, **we** will provide cover shown in **your certificate** on the terms and conditions of this policy wording during the **period of insurance**.

Our provision of insurance under this policy is conditional upon **you** observing and fulfilling the terms, provisions, conditions and clauses of this policy wording.

Information and changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to, and renew **your** policy.

Please tell **your** insurance adviser to let **us** know if there are any changes to the information set out in the statement of fact or on **your certificate**. **You** must also tell **us** about the following if they represent a change or a fact **you** have not already told **us** about:

- any intended alteration to, extension to or renovation of **your** property. However **you** do not need to tell **us** about internal alterations to **your** property unless **you** are creating an additional **bedroom**
- any change to the people insured , or to be insured
- any change or addition to the **contents** of the property to be insured that results in the need to increase the amounts or the limits that are shown on **your** policy **certificate**
- if **your** property is to be lent, let, sub-let, or used for business purposes (other than clerical work)
- if **your** property is to be **unoccupied** for any continuous period exceeding 30 days, or
- if any member of **your** household or any person to be insured on this policy is charged with, or convicted of a criminal offence (other than motoring offences).

If **you** are in any doubt, please contact **your** insurance adviser.

When **we** are notified of a change, **we** will tell **your** insurance adviser if this affects **your** policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **your** policy.

If the information provided by **you** is not complete and accurate:

- **we** may cancel **your** policy and refuse to pay any claim. or
- **we** may not pay any claim in full, or
- **we** may revise the premium and/or change any **excess**, or
- the extent of the cover may be affected.

Choice of Law

The law of England and Wales will apply to this contract unless:

- **you** and **we** specifically agree otherwise; or
- at the date of the contract **you** are a resident of (or, in the case of a business, the registered office or principal place of business is situated in) Scotland, Northern Ireland, Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply

Use of Language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

Customers with disabilities

This policy and other associated documentation are also available in large print, audio and Braille. If **you** require any of these formats, in the first instance please contact **your** insurance adviser.

Your right to cancel

You have a statutory right to cancel **your** policy within 14 days from the day of purchase or renewal or the day **you** receive **your** policy, whichever is the later ("cooling off period").

By exercising **your** right to cancel, **you** withdraw from the contract of insurance as at the date of such notice.

If **you** cancel before the insurance commences **you** will be refunded any premium **you** have paid.

If **your** request for cancellation is received after the inception (starting) date of the policy, **you** will be entitled to a refund of any premium **you** have paid, less a deduction for the time **you** have been on cover. This will be calculated in proportion to the period for which **you** have received cover, provided that no claims have been paid or are outstanding during the **period of insurance**.

If **you** do not exercise **your** right to cancel within the cooling off period, the policy will remain in force and all premiums will be payable in accordance with the terms of the policy.

To exercise **your** right to cancel please contact **your** insurance adviser.

For **your** cancellation rights outside the statutory cooling off period, please refer to the policy Conditions Section of **your** policy wording.

How much cover do you need?

While **your** insurance advisor can guide **you**, it is **your** responsibility to make sure that the amount of insurance cover **you** buy represents the full value of **your** property.

For **buildings** cover the value must represent the full cost of rebuilding the **buildings** including any extra costs that may be involved such as demolition, architect's and surveyor's fees and any additional costs in meeting local authority requirements.

For **contents** and **personal possessions** the value must represent the full cost of replacing all the property at current replacement value, other than clothing and linen where **we** may make a deduction for wear and tear and the resultant loss in value.

The maximum amount that **we** will pay in the event of a claim is the **sum insured** so it is very important that **you** insure **your** property for the full amount of its value.

Property maintenance

It is **your** responsibility to maintain and look after **your** property. **Your** policy is intended to provide **you** with cover against events that are sudden and unforeseen, for example fire or flood. It will not cover **you** for damage that happens gradually over time like damp, or rot, or for damage caused by wear and tear, or for general maintenance costs such as repairs to defective rendering or general roof repairs.

Extreme weather and storms

We consider a storm to be strong winds of over 47mph which will sometimes be accompanied by rain, snow or hail. Heavy or persistent rain on its own is not a storm unless it is a torrential downpour with over an inch of rain in a one hour period (or a proportionate amount in a shorter time of the same proportion). **Buildings** that have been maintained in a sound condition will withstand all but the most extreme weather. It is **your** responsibility to ensure **your** property is maintained in a good state of repair.

If **you** are claiming for storm damage **we** will ask **you** to provide **us** with the date of the damage and show **us** how the conditions caused the damage to the **home**. **We** may appoint a specialist to inspect the **home** or ask **you** to provide **us** with a report by **your** appointed contractor.

Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this insurance has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any term of this insurance. This shall not affect any right or remedy of a third party which exists or is available apart from this Act.

- c) **You** must supply at **your** own expense all of the information which **we** reasonably require to decide whether a claim may be accepted. If court proceedings are issued or a **conflict of interest** arises, and **you** wish to nominate a legal representative to act for **you**, **you** may do so. Where **you** have elected to use a legal representative of **your** own choice **you** will be responsible for any **advisers' costs** in **excess** of **our standard advisers' costs**. The costs of the arbitration will be at the discretion of the arbitrator.

At any time **we** may, but only when supported by independent legal advice, form the view that **you** do not have a more than 50% chance of winning the case and achieving a positive outcome. If so, **we** may decline support or any further support. Examples of a positive outcome are:

- c) May cancel this policy with effect from the fraudulent act and keep all premiums paid to Us

Cover under this policy is based on laws and regulations in force at the time that it was written. If We believe that any subsequent change in law or regulations results in the scope of cover being either restricted or broadened, We reserve the right to accept claims where the change restricts the cover under this policy and reject claims where the change provides a benefit which did not previously exist.

Beyond economical repair

If cost of repairing an item exceeds the cost of replacing it entirely. The value of the item is calculated taking into account its age, condition and the type of item that it is (e.g. make and model of an appliance). This total is compared to the costs of any parts and labour needed for repair.

Electronic Data

Is this UK General Home Emergency Insurance suitable for you?

This policy might suit you , if:	This policy will not suit you , if:
<p>Your home is located within the geographical limits, does not have more than 5 bedrooms and will not be unoccupied for more than 30 consecutive days at any one time.</p> <p>You are not aware of any existing faults or problems which are likely to lead to an emergency.</p> <p>You are able to comply with, and agree to, the policy conditions on pages 4 and 5.</p> <p>You maintain your home and arrange for servicing, inspection and repair of items and fixtures when required, in order to keep your home in good working order and address any issues caused by wear and tear.</p>	<p>Your home is not located within the geographical limits, or it has more than 5 bedrooms, or it will be unoccupied for more than 30 consecutive days at any one time.</p> <p>You are aware of existing faults or problems; claims due to existing faults or problems will not be covered.</p> <p>You are not able to comply with, or do not agree to, the policy conditions on pages 4 and 5.</p> <p>You do not maintain your home and you do not arrange for servicing, inspection or repair of items and fixtures when required. Claims due to lack of maintenance or wear and tear, will not be covered.</p>

Basis of cover

Emergency events

This policy will only provide **assistance** with **emergency** events in **your home**. The policy will not cover maintenance or wear and tear issues. The claims handler will advise **you** if the event is an **emergency** and covered by the policy.

Gas Leaks

A gas leak is the responsibility of the distributor for that area. If **you** smell gas or think that there is a gas leak in **your home**, **you** should contact the National Gas Emergency Service on 0800 111999. An approved contractor will not be able to attend **your home** until gas leaks have been made safe.

Pay on Use

This policy will only cover **emergencies**. For issues which are not covered by this policy, **we** may be able to contact an approved contractor to help **you** on a 'pay on use' basis. This means that **you** would be responsible for paying for the full cost of all fees.

Boilers / Gas powered heating or hot water systems

It is not a policy requirement to have had these serviced prior to the start of the **period of cover**. However **you** are responsible for ensuring that **your** boiler or gas powered heating or hot water system is maintained to a safe standard. Claims due to wear and tear or lack of maintenance will not be covered. **Our** approved contractors will not be able to complete any work or repairs, to boilers or systems which are deemed to be unsafe due to poor installation or lack of maintenance.

No age limit applies to the boilers **we** will cover, but there may be some circumstances where because of the age of **your** boiler, or the availability of parts or the cost of repairs, **our** approved contractor may not be able to offer **you assistance**. In these cases **your** boiler will be treated as **beyond economical repair** and a one-off cash payment will be made to **you** of £250. Once we have issued this payment to **you**, no further cover will operate in respect of **your primary heating system**, until such time as you have replaced **your** boiler.

General Policy Conditions

You must comply with these in order to be covered by your policy.

1. **We** will only pay for **assistance** for **emergencies** occurring at **your home**, subject to the cover **you** selected shown on **your schedule**.
2. Assistance visits:
 - a) The maximum number of **assistance** visits that **we** will pay for in any one **period of cover** is known as the 'call out limit'; the call out limit on this policy is five. Once the call out limit has been reached, **you** may not make any further claims during that **period of cover**. However if an **emergency** occurs the claims handler may be able to arrange a 'pay on use' service for **you** - 'Basis of cover' explains what this means. If **you** renew **your** policy **you** will be able to claim again, up to the call out limit for that **period of cover**.
 - b) If the approved contractor is unable to gain access to **your home**, the visit will be counted against the call out limit. If the contractor needs to return at a later date to complete repairs, **you** must ensure that they can gain access. If the contractor cannot access **your** home, **we** will not be able to provide further help beyond the **assistance** already given and **your** claim will be closed.
3. Reporting of claims:
 - a) Any risk of injury to people or of serious and major damage to **your home**, should be immediately reported to the supply company if appropriate (e.g. a gas leak), or the public emergency services. Please do this before **you** contact **us**, as **your** safety should always take priority.
 - b) **You** must not make any arrangements for repairs without authorisation from the claims handler. This is because **our** approved contractors may need to examine the **emergency** themselves, in order to confirm that it is covered by **your** policy.
4. Visiting **your home** to provide **assistance** is dependent on:
 - Weather conditions. If there is bad weather then the approved contractor may not be able to safely access **your home**. In some cases it may not be possible to provide immediate **assistance** e.g. Roof inspections if there are high winds.
 - Being able to reach **your home**. Transport delays (e.g. due to weather or industrial action), may mean the approved contractor cannot reach **your home**.The decision whether it is safe or possible to provide **assistance** is at the sole discretion of the claims handler. If it is not possible to provide **assistance**, then **you** will be advised of this and help will be rearranged for a time when it is possible to safely attend **your home**.
5. The approved contractor may use parts which are sourced from third parties, in addition to those sourced from the manufacturer or its approved suppliers. All of our approved contractor repairs are guaranteed for 12 months. In order to provide this guarantee our claims handler will work with a pre-approved supply network. **We** are therefore unable to accept responsibility for loss, damage or inconvenience resulting from delays in the delivery of parts. If **you** wish the approved contractor to use parts which are of a superior specification to the faulty part being replaced, then **you** will be responsible for paying the difference in cost.
6. **You** must ensure that all questions are answered correctly and truthfully and that all documents **you** submit to **us** are accurate. In the event that **you** provide **us** with information which is false or fraudulent, then **we** reserve the right not to pay **your** claim and to cancel **your** policy with no refund of premium. **We** may also share this information with the police and other insurance companies for fraud prevention.
7. Subrogation - this means that **we** reserve the right to take over **your** claim after **we** have paid it, in order to recover payment from a third party. This may include taking legal action against third parties in **your** name. **You** must co-operate with **us** if **we** choose to do this; any action **we**

- take will be at **our** expense.
8. Unless some other law is agreed in writing, this policy is governed by English law. If there is a dispute, it will only be dealt with in the courts of England or of the country within the United Kingdom in which **your** main residence is situated.
 9. This policy will end:
 - At the end of the **period of cover**; or
 - The date the policy is cancelled.
 10. There are certain changes which **you** must tell **your** broker about, as soon as they happen. These are:
 - If you change **your home** address.
 If **you** do not tell **your** broker about these changes, then this may mean that **we** cannot pay **your** claim.

Making a Claim

You must notify the claims handler of an **emergency** as soon as **you** can. If **you** delay reporting **your emergency** without good reason, and this delay means that the cost of providing **you** with **assistance** is more than it would have been if **you** had reported it earlier, then **we** may not pay part or all of **your** claim.

You must follow the instructions given to **you** by the claims handler. If an appointment is made for an approved contractor to provide **assistance**, **you** must ensure that someone is available to allow access to **your home**. Failed visits where the contractor is not able to gain access to **your home** will count against the call out limit on **your** policy.
