Please refer to the Policy Conditions for reporting claims on page 40 in particular Condition 10.

1. Check that the claim is covered by **your** policy. Each section of the policy tells **you** what is covered and what is not covered. The Basis of Claims Settlement sections of this policy will tell **you** how the claim will be settled, provided that the policy conditions are fulfilled.

2. Contact **your** agent or Discount Insurance on 0208 847 8000.

Note: Please have **your** policy number available. 3. **We** may be able to settle **your** claim from the information provided in **your** claim form but **we** may require further information, or ask **you** to furnish documentation in support of **your** claim.
4. It is at **our** option whether **we** replace as new, reinstate, repair or pay a cash alternative. If **you** would prefer a cash alternative, **we** may restrict this to an amount equal to the discounted replacement price **we** would normally pay. This helps **us** in controlling claims costs and ultimately premiums charged.

This policy will only cover **emergencies**. For issues which are not covered by this policy, **we** may be able to contact an approved contractor to help **you** on a 'pay on use' basis. This means that **you** would be responsible for paying for the full cost of all fees.

Boilers / Gas powered heating or hot water systems

It is not a policy requirement to have had these serviced prior to the start of the **period of cover**. However **you** are responsible for ensuring that **your** boiler or gas powered heating or hot water system is maintained to a safe standard. Claims due to wear and tear or lack of maintenance will not be covered. **Our** approved contractors will not be able to complete any work or repairs, to boilers or systems which are deemed to be unsafe due to poor installation or lack of maintenance. No age limit applies to the boilers **we** will cover, but there may be some circumstances where

because of the age of **your** boiler, or the availability of parts or the cost of repairs, **our** approved contractor may not be able to offer **your assistance**. In these cases **your** boiler will be treated as **beyond economical repair** and a one-off cash payment will be made to **you** of £250. Once we have issued this payment to **you**, no further cover will operate in respect of **your primary heating system**, until such time as you have replaced **your** boiler.

General Policy Conditions

You must comply with these in order to be covered by your policy.

1. **We** will only pay for **assistance** for **emergencies** occurring at **your home**, subject to the cover **you** selected shown on **your schedule**.
2. Assistance visits:
 - a) The maximum number of **assistance** visits that **we** will pay for in any one **period of cover** is known as the 'call out limit'; the call out limit on this policy is five. Once the call out limit has been reached, **you** may not make any further claims during that **period of cover**. However if an **emergency** occurs the claims handler may be able to arrange a 'pay on use' service for **you** - 'Basis of cover' explains what this means. If **you** renew **your** policy **you** will be able to claim again, up to the call out limit for that **period of cover**.
 - b) If the approved contractor is unable to gain access to **your home**, the visit will be counted against the call out limit. If the contractor needs to return at a later date to complete repairs, **you** must ensure that they can gain access. If the contractor cannot access **your** home, **we** will not be able to provide further help beyond the **assistance** already given and **your** claim will be closed.
3. Reporting of claims:
 - a) Any risk of injury to people or of serious and major damage to **your home**, should be immediately reported to the supply company if appropriate (e.g. a gas leak), or the public emergency services. Please do this before **you** contact **us**, as **your** safety should always take priority.
 - b) **You** must not make any arrangements for repairs without authorisation from the claims handler. This is because **our** approved contractors may need to examine the **emergency** themselves, in order to confirm that it is covered by **your** policy.
4. Visiting **your home** to provide **assistance** is dependent on:
 - Weather conditions. If there is bad weather then the approved contractor may not be able to safely access **your home**. In some cases it may not be possible to provide immediate **assistance** e.g. Roof inspections if there are high winds.
 - Being able to reach **your home**. Transport delays (e.g. due to weather or industrial action), may mean the approved contractor cannot reach **your home**.The decision whether it is safe or possible to provide **assistance** is at the sole discretion of the claims handler. If it is not possible to provide **assistance**, then **you** will be advised of this and help will be rearranged for a time when it is possible to safely attend **your home**.
5. The approved contractor may use parts which are sourced from third parties, in addition to those sourced from the manufacturer or its approved suppliers. All of our approved contractor repairs are guaranteed for 12 months. In order to provide this guarantee our claims handler will work with a pre-approved supply network. **We** are therefore unable to accept responsibility for loss, damage or inconvenience resulting from delays in the delivery of parts. If **you** wish the approved contractor to use parts which are of a superior specification to the faulty part being replaced, then **you** will be responsible for paying the difference in cost.
6. **You** must ensure that all questions are answered correctly and truthfully and that all documents **you** submit to **us** are accurate. In the event that **you** provide **us** with information which is false or fraudulent, then **we** reserve the right not to pay **your** claim and to cancel **your** policy with no refund of premium. **We** may also share this information with the police and other insurance companies for fraud prevention.
7. Subrogation - this means that **we** reserve the right to take over **your** claim after **we** have paid it, in order to recover payment from a third party. This may include taking legal action against third parties in **your** name. **You** must co-operate with **us** if **we** choose to do this; any action **we** take will be at **our** expense.

8. Unless some other law is agreed in writing, this policy is governed by English law. If there is a dispute, it will only be dealt with in the courts of England or of the country within the United Kingdom in which **you** main residence is situated.
9. This policy will end:
- At the end of the **period of cover**; or
 - The date the policy is cancelled.
10. There are certain changes which **you** must tell **your** broker about, as soon as they happen. These are:
- If you change **your home** address.
- If **you** do not tell **your** broker about these changes, then this may mean that **we** cannot pay **your** claim.

You must notify the claims handler of an **emergency** as soon as **you** can. If an appointment is made for an approved contractor to provide **assistance**, **you** must ensure that someone is available to allow access to **your home**.
